

Middle School Golf Program

Middle School Golf is open to boys and girls, grades 7th and 8th, with golf experience. It will be lead by Doug Lemons, PGA Teaching Professional and the staff of Ohio Junior Golf Academy. The program will cover all aspects of the game including the full swing, short game, putting, playing, and rules and etiquette. It is designed to encourage students to play regularly and improve their skills. If their desire is to join their high school team, this program will help them become more confident and better prepared during try-outs.
